TERMS AND CONDITIONS

- I confirm that I have authority to make decisions about EV charging installation at this site.
- I understand that selected sites must proceed with installation by the end of 2025.
- I agree to maintain the chargers and keep them enrolled in GridSavvy Rewards for a minimum of 5 years.
- The site is a current Sonoma Clean Power customer with all relevant electricity accounts served by SCP.
- I have reviewed the terms and conditions in the Participation Agreement linked on the program webpage (<https://sonomacleanpower.org/programs/workplace-charging>) and do not have any concerns or requested edits at this time.

AGREEMENT

Do you have any objections or concerns with the Participation Agreement? Please explain. If selected, you will be asked to formally sign the Agreement before receiving incentives.

NEXT STEPS

Thank you for your application! We will review your submission and follow up with any questions. Applicants will be notified by **May 16, 2025**, about whether they have been selected for funding. If you have any questions about the application process or program details, please contact us at programs@sonomacleanpower.org.
