

BIKE ELECTRIC

SCP's eBike Incentive Program

To promote the many environmental and lifestyle benefits of electric bikes, Sonoma Clean Power is pleased to announce our Bike Electric incentive program, providing income-qualified customers with a \$1,000 incentive toward the purchase of an eBike from local, participating retailers.

Visit sonomacleanpower.org/bike-electric to get started.

Getting started is easy.

Applying

- Verify your eligibility
- Submit any required information
- Wait 3-5 business days for your qualification response
- If approved for the program, you will receive a mailed voucher with your approved incentives

Buying

- Visit a participating retailer
- Select an eligible model
- Present your unique voucher to the retailer
- Your discount will be applied instantly

Riding

- Attend a free safety training by the Sonoma County Bicycle Coalition
- Watch our program kickoff video for riding tips and rules of the road
- Get your free bike helmet from SCP

Eligibility

The Bike Electric program is open to current SCP customers who are income-qualified through participation in one or more specific programs. For the latest information, please visit us at sonomacleanpower.org/bike-electric.

Benefits

- Zero emissions travel
- Quicker, lower-effort bike commuting
- Instant power to easily conquer hills
- No gas, just charge and go!

Apply today and hit the road with a clean eBike!
