

**Terms and Conditions:
Sonoma Clean Power Smart Thermostat
and GridSavvy Incentives**

The Sonoma Clean Power Smart Thermostat and GridSavvy Incentive is subject to the following terms and conditions:

1. To be eligible for the incentive, you must be a current customer of Sonoma Clean Power.
2. Limit one thermostat per Sonoma Clean Power electric account.
3. All customers receiving a smart thermostat must agree to participate in the GridSavvy Community, and customers agree to abide by all terms, conditions, and restrictions of that program. More information is available in the GridSavvy Participation Agreement and FAQs at: <https://sonomacleanpower.org/gridsavvy/>. Upon confirmation of your participation in the GridSavvy Community, SCP will issue customer a an ongoing \$5/month bill credit so long as the terms and conditions of the program are met. Depending on billing cycles, it may take up to 3 months for the bill credit to be loaded. There is a \$5/month maximum bill credit for GridSavvy participation, regardless of number and type of devices participating.
4. For returns or warranty repairs/replacements, you may contact gridsavvy@sonomacleanpower.org. Sonoma Clean Power enforces the product manufacturer’s return and warranty policies, which are subject to change.
5. The instant incentive applies only to the specific equipment listed in the table below.
6. You are responsible for paying an upfront fee for the smart thermostat (see below), the shipping and handling of the equipment, plus sales tax on the (undiscounted) price of the equipment. For all equipment, the shipping and handling fee is \$10.00.

Eligible Thermostat Equipment	Retail Price (basis for tax)	Total Price to SCP Customer

Ecobee3 Smart Thermostat Lite	\$169	\$119 plus tax and \$10 shipping and handling fee
-------------------------------	-------	---

- 7. You are solely responsible for the cost of installing the thermostat. SCP will not pay for installation costs or for any upgrades to your heating, cooling, or electrical system required for installation of the thermostat. You are responsible for hiring a qualified professional to estimate the cost of installation, obtain any necessary permits and install the equipment.**
8. SCP reserves the right to withhold incentives for any thermostats that are installed outside of the SCP service territory or for any customers deemed to be violating the terms, conditions, and restrictions of the program.
9. SCP does not manufacture the thermostat equipment, makes no representations, guarantees, or warranties about the thermostats, and is not responsible for the performance of the thermostats. It is your sole responsibility to determine the suitability of any equipment to your needs, and to ensure that you understand the limitations of any warranty or guarantee provided by the manufacturer. SCP shall have no liability for, and you release SCP from any liability from, any and all damages resulting from your installation or use of the thermostats.
