

Sonoma Clean Power SPIRIT OF ENTREPRENEURSHIP GRANT

About Sonoma Clean Power

Sonoma Clean Power (SCP) is your public electricity provider, we source clean energy from renewable resources—geothermal, hydroelectric, wind, solar, and biomass—and deliver our power to residents and businesses throughout Sonoma and Mendocino counties. At SCP, we’re invested in the communities we live and work in. We deliver services that enhance quality of life through competitive pricing, improved air quality, and energy efficiency. By changing the way resident’s source energy, we’re able to deliver customer programs that make a difference in everyone’s life.

Purpose of the Spirit of Entrepreneurship Grant

SCP’s Spirit of Entrepreneurship Grant strives to develop sustainable entrepreneurs invested in reducing greenhouse gas emissions and promoting energy efficiency, energy conservation, renewable energy, environmental stewardship and distributed energy resources in a manner that encourages economic vitality and affordable rates for customers.

Competition Submissions

Participants, whether competing individually or in teams, must provide a written summary of their proposal, a business plan, and a model release form ten (10) calendar days prior to the last day of Final Examinations (the “Deadline”) that includes:

- Participant/Team Information, including contact information, expertise and summary of the proposal, consistent with course requirements;
- Funds needed to develop and support the entrepreneurial effort(s);
- How any awarded funds would be used;
- How the proposal would promote the purpose of the SCP Spirit of Entrepreneurship Grant, as described in more detail below.

Participants entering the competition as part of a team must also propose how any grant award would be shared and utilized by the team.

As noted above, participants/teams should adequately explain how their business plan would promote the purpose of SCP’s Spirit of Entrepreneurship Grant, including, without limitation: incorporating sustainable practices, reducing energy consumption, improving air quality, reducing fossil fuel consumption, expanding the use of renewable energy, promoting eco-friendly transit, conserving water & resources utilizing environmentally sensitive building materials.

By the Deadline, Participant submissions should be provided to SCP in an electronic form, using the online application at sonomacleanpower.org/soe-grant-application, and satisfy any other applicable Course requirements.

Participants and teams agree to submit follow up information that SCP may reasonably request in connection with the entry.

Selection Criteria and Process

SCP will consider eligible entries based on the overall quality of the proposal, including, among other criteria the:

- Idea, including the originality, innovation, thoughtfulness and potential impact on a big problem;
- Product or service;
- Participant/team’s preparation for launch;
- Participant/team execution plan;
- Expertise of the participant/team; and
- Proposal’s consistency with the purpose of the SCP Spirit of Entrepreneurship Grant.

SCP and Santa Rosa Junior College personnel will also participate in a panel during the Pitch Contest to evaluate competition entries based on the criteria identified above.

SCP Spirit of Entrepreneurship Grant Amount

At the start of each semester, SCP will identify the maximum amount potentially available to participants/teams competing for Spirit of Entrepreneurship Grant. The number of grant awards issued as well as the amounts awarded by SCP for each grant awarded will vary at the discretion of SCP and based on the factors associated with the semester's grant competition, including, without limitation, the selection criteria, the quality of the participant/team proposals, the amounts requested and the number of eligible entries.

Presentation of Awards

Winners will be announced annually prior to the conclusion of the semester. Awardees will be recognized at a subsequent SCP Board of Directors Meeting.
