<b>Unspecified sources of power*</b>	<b>9%</b>	<b>0%</b>	<b>11%</b>
<b>TOTAL</b>	<b>100%</b>	<b>100%</b>	<b>100%</b>

\* "Unspecified sources of power" means electricity from transactions that are not traceable to specific generation sources.

\*\* Percentages are estimated annually by the California Energy Commission based on the electricity generated in California and net imports as reported to the Quarterly Fuel and Energy Report database and the Power Source Disclosure program.

For specific information about this electricity product, contact:

**Sonoma Clean Power Authority**  
**855-202-2139**

Toll-free in California: 844-454-2906  
Outside California: 916-653-0237

## Power Content Label reflects 2018 verified electric resources for Sonoma Clean Power.

This information is required by the California Energy Commission to be mailed to any customer that took service from SCP in 2018 and active SCP customers.

The generation data represents 2018 and is provided in the "Annual Report to the California Energy Commission: Power Source Disclosure Program."

A significant portion of SCP's energy comes from clean, large hydroelectric power stations. Under California law, large hydroelectric power stations do not qualify as eligible renewable resources.

Percentages may not total 100% due to rounding.

**87** customers tried cooking on clean, renewable energy through our induction cooktop lending program

**255** customers made energy efficiency upgrades using our DIY Toolkits borrowed from local libraries

**2** ProFIT local solar projects started generating clean electricity

Electricity delivered that's **49%** renewable!

**5** non-profits received incentives to buy EVs

Numbers reflect 2018

# Speaking of results...

# DIY Home Toolkits

## Reducing energy & water usage

Do you know how much energy and water your home uses? Take charge of your usage and save money with our DIY Energy and Water Savings Toolkit.

Just like a book, the toolkits can be checked out from participating Sonoma and Mendocino County libraries for up to three weeks!

Each toolkit contains a Home Energy & Water Savings Guidebook and the following items to keep:

- Dimmable LED lightbulbs
- Weather stripping
- Low-flow showerhead
- And more!

Check out a toolkit and start saving energy and water today!

*Note: Toolkits are not available at Forestville or Occidental library branches.*
