Property Owner Authorization Form

Sonoma Clean Power offers free smart thermostats installations to customers who qualify. To participate, renters need written approval from their property owner or property manager.

By signing this Authorization Form, you, as the signatory, represent that you have the requisite authority to execute this Authorization Form on behalf of Property Owner/Manager.

Property Owner/Manager hereby authorizes Sonoma Clean Power and its qualified contractor to install the smart thermostat in the residence indicated below. By signing this Authorization Form, Property Owner/Manager represents that it has read and understands the GridSavvy Rewards Smart Thermostat Terms and Conditions and hereby agrees to be bound by all terms and conditions for the installation of the smart thermostats applicable to Property Owner/Manager. Sonoma Clean Power reserves the right to determine project eligibility based on program requirements and site-specific conditions that may affect proper thermostat installation.

If you have any questions, please contact us at 1(855) 202-2139 or info@sonomacleanpower.org.
