Join Us at the East Sonoma County Service Center!

Sonoma Clean Power (SCP) is your local not-for-profit electricity provider serving Sonoma and Mendocino counties, providing customers with access to cleaner energy and programs designed to reduce energy use and lower electricity bills.

Stop by and meet with our **bilingual SCP team** members and get answers to your questions about electricity bills, energy use, rebates, incentives, and more.

WHAT SONOMA CLEAN POWER CAN HELP WITH

- Understanding your electricity bill
- Comparing electricity rate options
- Reviewing your home's electricity usage
- Finding ways to reduce energy use at home
- Learning about **available rebates and incentives**
- Enrolling in **energy-saving programs**

NO APPOINTMENT NECESSARY

Come by the East Sonoma County Service Center and learn how Sonoma Clean Power can help you reduce energy use, lower your electricity bills, and access available rebates and incentive programs.

See you there!
