Sonoma Clean Power CleanCharge Electric Vehicle Charging Equipment Incentive

The Sonoma Clean Power CleanCharge EV Charging Equipment Incentive is subject to the following terms and conditions:

1. To be eligible for the incentive, you must be a current customer of Sonoma Clean Power.
2. The incentive applies only to the specific equipment listed in the table below.
3. You are responsible for paying a fee for the shipping and handling of the EV charging equipment, plus sales tax on the (undiscounted) price of the EV charging equipment. For the “JuicePlug,” the shipping and handling fee is \$25.00, and for all other equipment the shipping and handling charge is \$50.00. The remaining cost for the equipment will be paid by SCP.
4. You are solely responsible for the cost of installing the EV charging equipment. SCP will not pay for installation costs. You are responsible for hiring a qualified professional to estimate the cost of installation, obtain any necessary permits and install the equipment.
5. SCP does not manufacture the EV charging equipment, makes no representations, guarantees, or warranties about the EV charging equipment, and is not responsible for the performance of the EV charging equipment. It is your sole responsibility to determine the suitability of any equipment to your needs, and to ensure that you understand the limitations of any warranty or guarantee provided by the manufacturer. **SCP shall have no liability for, and you release SCP from any liability from, any and all damages arising out of your installation or use of the EV charging equipment.**
6. If you sign up to participate in the eMotorWerks “JuicePoints” program, you agree to abide by all terms, conditions, and restrictions of that program. More information is available at: <https://emotorwerks.com/rewards#what-are-the-qualifications-to-participate->. Upon confirmation of your participation in the program, SCP will credit your JuiceNet account in the amount of \$250.00. The \$250.00 credit is not available to customers who do not enroll in the “JuicePoints” program.
